Mr. A. H. Cuthbert,
631 West 239th St.,
New York City, N. Y.

Dear Mr. Cuthbert:

I am trying to obtain a genealogical record of the Cuthbert family that settled in Virginia before the Revolutionary War. I am a descendant of Alfred Cuthbert, who represented Georgia in the U. S. Senate in 1842 to 1846. I am trying to connect this family back as far as possible, even back into England if possible.

Kindly give me all the data you can going back to or before the Revolutionary War.

Thanking you in advance, I beg to remain

Respectfully yours,
